

TransWEB - BIZ

TransWEB - BIZ (via cable)

If your business regularly accesses information from the internet and email is a key communication tool, then a high-speed, permanent connection to an internet service provider (ISP) on TransACT's own network is for you.

Broadband speed*	Monthly fee [†]	Minimum total cost on a 12-month contract
2Mbps download/256kbps upload	\$30	\$810
10Mbps download/500kbps upload	\$45	\$990
10Mbps download/1Mbps upload	\$90	\$1,530

Call the TransACT Commercial team to confirm availability. Costs are based on cable access and may vary for alternative access delivery methods.
