

TransWEB - BIZ

TransWEB - BIZ (via fibre-to-the-premise)

If your business regularly accesses information from the internet and email is a key communication tool, then a high-speed, permanent connection to an internet service provider (ISP) on TransACT's own network is for you.

Broadband speed*	Monthly fee†	Minimum cost on a 12-month contract
10Mbps download/2Mbps upload	\$45	\$990
30Mbps download/10Mbps upload	\$90	\$1,530
100Mbps download/20Mbps upload	\$150	\$2,250

Call the TransACT team to confirm availability. Costs are based on fibre-to-the-premise access and may vary for alternative access delivery methods.
