

TransBIZ - Phone

TransBIZ (ISDN digital phone service)

TransACT offers two digital ISDN phone services for businesses. TransBIZ 2 is a standard basic rate ISDN service suitable for telephony and digital line key systems. TransBIZ 10/20/30 is a primary rate ISDN service particularly well suited for connecting PABXs and ISPs to local exchanges.

TransACT
Everytime.

Standard Form of Agreement and 12-month minimum contract apply. TransBIZ 2 connection fee is \$250 for the first line plus \$150 for each additional line connected at the same time. Connection fee for TransBIZ 10: \$1,500, TransBIZ 20: \$2,000 and TransBIZ 30: \$2,250 applies. Connection fee is waived with a 24-month contract (only applicable if two or more commercial services are taken). A standard connection consists of a lead-in cable to the building's first point of termination (network boundary). Early cancellation fees apply. All prices are GST inclusive. TransBIZ is only available to business customers. For technical reasons not all businesses can be connected. National calls and calls to mobiles exclude calls to special services, operator-assisted services, telecard calls, data calls and calls made to Christmas Islands, Cocos Islands and Norfolk Islands. Timed calls are billed at 1-second increments, 1-second minimum. *Free local calls are those made to customers on the TransTALK and/or TransBIZ plans. †Call charges are additional.
