Standard Forms of Agreements and minimum 12-month contract apply. Connection fee of \$199 for a 12-month contract or \$149 for a 24-month contract apply on the ADSL2+ network. Connection fee of \$299 for a 12-month contract or \$199 for a 24-month contract apply on the cable network. Connection fee of \$15.95 per SIM applies. Early cancellation fees apply. All prices are GST inclusive. All call rates are for calls originated in Australia to other Australian numbers. For technical reasons not all homes can be connected. TransWEB and TransTV are only available as part of a HomeMOBILE Cap package. TransTV is only available on the cable network. *Minimum monthly fee applies even if full credit value is not used. Minimum monthly fee and call credit are calculated on pro-rata for the first billing cycle. The minimum monthly access fee is active once the first service is connected and charged one month in advance. †All unused credit is forfeited and cannot be rolled over. Once monthly credit is reached normal standard call rates apply. Call types that contribute to monthly credit include local, national and calls to mobiles from your TransTALK home phone to Australian numbers as well as calls from your TransMOBILE including voice calls, video calls and text messages to Australian fixed-line phones and mobiles, voicemail calls, MMS and GPRS services that originate in Australia but excluding Third Party Services. ‡Free local calls are calls between TransTALK and/or TransBIZ customers. §Handsets are available in conjunction with a HomeMOBILE Cap on a 24-month contract. Early cancellation fees apply. If you terminate a handset contract early you will be liable for any remaining handset rental instalments owing under your plan in addition to all other remaining service charges. ^Broadband speeds are maximum speeds achievable and may be affected by a number of factors outside TransACT's control including line quality and length from the exchange, hardware and software, the source of the download, internet traffic, other services running on the network and your ISP. As at February 2009 99% of customers on the 2Mbps/256kbps plan receive the maximum speed and 9% of customers on the 20Mbps/1Mbps plan receive the maximum speed and 52% of customers receive 8Mbps or more. As at March 2009, 99% customers receive the maximum speed on the cable network. #ISP charges are additional. **Additional on-demand video charges apply. ††The Discovery package and Director's Choice channels must be subscribed to for a minimum of 6 months and the Movie package a minimum of 12 months. Thereafter subscription is available on a month-by-month basis. ‡‡Offer available to new TransTV customers only. After the first month the Discovery package is \$7.95 per month and the Movie package is \$15.95 per month with a package discount of \$3.95 per month. The package discount will not apply if either the Discovery or Movie package is cancelled. The Discovery and Movie packages can be cancelled at any time during the first month without incurring cancellation fees. CThereafter, cancellation fees apply if either package is cancelled after the first month and within the contract period. TransACT Capital Communications Pty Ltd ABN 23 093 966 888.
